Villa Pozo Blanco

Home on the Ranch

This amazing villa has stunning views, located in a very nice place, Pozo Blanco, which is surrounded by nature.

The villa has two floors, a small roof terrace and basement.

In the lower part of the villa, we can find a Wine Cellar, where, as you can see, there are a lot of different varieties of wine in the bottles.

Also, in this part of the house we have a living/dining room, two bedrooms and a toilet.

In the first floor we find the most principal 3 bedrooms, the living room, kitchen, bathroom...

At the second floor we have a loft. It includes everything, a living room, bedroom, the bathroom...

All of the rooms of this villa are very big and spacious, and each one has its own good things, making them all different and special because of the characteristics.

It also has a fireplace, fitted wardrobes and one bathtub jacuzzi.

Also, at the entrance we have a very nice porch where you can relax and have your free time by yourself, with family or friends, which have a small fireplace/bbq.

Then, outside we have a garden and a spectacular big pool. If you love swimming, this must be very enjoyable in summer.

There is also like a guest house/apartment that is not still fully finished so you can do it to your like. The bbq that is outside is a big one.

If you love animals, there is also plenty of space to have all of them, as you like, because this property has horse stables, land to train them and all the supplies you need to take care of them.

Another good thing about this property is that it has a lot of different types of trees, which help to give shade in summer and give some fruits.
