We are proud to present this charming country home located within walking distance to Castalla. Not only can you enjoy a rural life, you have the bonus of being very close to all of the amenities you would expect in a town. The 250m² sits on a nice plot measuring 6500m². The plot is made up of a driveway for off road parking, formal gardens, various terraced area, a beautiful private swimming pool and a large olive grove. In addition to all of this there is a large covered porch which is perfect for alfresco dinning. It is also worth mentioning that the property is fully fenced.

Not so long ago the house was divided into 2 properties. One property consisted of 2 bedrooms, 1 bathroom, a large living room with a log burner, and a separate kitchen and bathroom. And the other a kitchen, living room, 3 bedrooms and 2 bathrooms. This area also has a large covered porch which looks onto the private swimming pool. Although the house has now been opened up to create one large home, it would be very easy to separate them again if you wanted to create an annex or even run a bed and breakfast business from one side.

This is a great property offering many opportunities. Viewing is highly recommended.
